# 2026 Rates

Steve Reddoch

425.985.1086

[steve@peritoma.com](mailto:steve@peritoma.com)

All costs included operator or driver.

Rates might have to be adjusted based on cost of fuel.

Peritoma Construction has dump truck registration in Montana and Idaho so getting materials from Idaho is something that can be done.

Billing starts from the time vehicle is moving until job is done. Billing is only for actual time used.  
Example: If it only takes 40 minutes for the job you are billed \$66.67.

Vehicle	Description	Cost
Travel to/from site	Moving equipment to/from the job site.	\$100 per hour
Dump Truck	Material Movement, does not include costs of material. Truck holds 15 yards, and gets 11 yards when loaded at the Lambert Pit.	\$150 per hour
Dump Truck w/trailer	Hauling large equipment up to 40,000 pounds with dump truck	\$150 per hour
KX080 Excavator	Kubota KX080 Excavator	\$150 per hour
KX018 Excavator	Kubota Mini KX018 Excavator	\$150 per hour
Vibrating Roller	Roller that compresses ground or fresh asphalt	\$120 per hour
Skid-Steer	Kubota SVL-75 Skid-Steer. 3500 pounds normal lifting (2100 @ 35% tipping load)	\$150 per hour
Small Tractors	Kubota B2620 (Has small backhoe) or LX2610 (no backhoe, lifts a bit more than B2620)	\$100 per hour
Medium Tractor	Kubota L4760 (Mostly used for snow plowing)	\$110 per hour

***No equipment is to be rented or used by any other person than employees or family members of Peritoma Construction due to insurance.***
